service provider.**

Letter from

## THE CEO

**The demand for security and energy services across the globe cannot be overemphasized. Our services are driven by the numerous challenges faced in the industry by stakeholders / investors and the need to curb the incessant attacks on the water bodies, secure our clients' / employees and the nation's assets. As well as generate revenues for the nation at large.**

Oceanwater Marine & Oil Services Ltd is succeeding as a result of our unrivalled cognate knowledge of the industry, relationships with government Security Agencies and exceptionally skilled, dedicated workforce. We are continually committed to developing quality services within clients' budget, offering top notch services, accepting challenges and creating our own haven in the industry.

**Offering an assured maritime security services to the Oil and Gas Industry**

With our deep understanding of the importance of value creation and CSR, Oceanwater Marine at all operational locations ensure that issues such as safety, protection of the environment, community development and job creation are paramount. This also goes with the GSF bases where we operate.

We consider our employees to be our family and strive to be a model corporate citizen. Oceanwater Marine will always operate with absolute integrity. In every project we undertake, we will consider our team, our clients, the communities in which we operate, and the global environment in which we all live.

We are committed to Marine Security services in the Oil and Gas Sector.

**Emmanuel Bassey.**

# Oceanwater Marine & Oil Services
